PROJECT

Central Philippine Adventist College Online Library—WordPress

The **CPAC Library Services** website is designed to provide students, faculty, and researchers with seamless access to essential library resources. It features **book reservations, printing and photocopy services, a Digital Library Orientation, and an Audio-Visual Room (AVR) reservation system**. These tools ensure users can easily navigate and utilize the library's offerings. The platform enhances academic growth, research accessibility, and community engagement, making library services more efficient and user-friendly.
